Introduction

This document presents statistics of the Graduates for the 2012 October graduation. The data was collected from the faculty officers and forwarded to the MIIR Department for processing, verification, analysis and report production.

A total of 1205 awards were offered to 1068 graduates, and 651 were females. These graduates met the graduation requirements and were awarded with degrees, diplomas or certificates both at undergraduate and postgraduate level.

The 2012 October graduation report comprises six sections as follows;

1. Qualification type awarded
2. Awards by offering mode
3. Graduates by school and department
4. Qualifications name awarded
5. Graduates' duration of period of study
6. Graduates nationality, age and gender

1. Qualification Type awarded

This section presents the graduates per Qualification type awarded and Qualification type registered. A comparison between genders of the graduates is also made.

Table 1.1 shows the numbers and the percentages of awards given to graduates by Qualification type awarded and gender. While a total of 1205 awards were issued, the highest Award Type were Certificates (41.5%), followed by Diplomas and Bachelor degrees with 29.5% and 24.5% respectively. A few Honours degrees 1.7%, and 0.8% for Master degrees were awarded. More than 60% of the awards were issued to female graduates.
